Extensions are small software programs that can modify and enhance the functionality of the Chrome browser. You can easily add them to your Google Chrome web browser to customize your experience.

Chrome Extensions allow you to:

- Get timely notifications.
- Do things with fewer clicks.
- Shorten current website URL's.
- Easily set timers.
- Capture screen shots to use images to enhance presentations.
- View definitions easily as you browse the web.
- Read selected text using text-to-speech.
- Get bonus information about a page.

# Installing Chrome Extensions
